CAROL A. HERRMANN, MPH
Commissioner

December 10, 2004

Dear Pharmaceutical Manufacturer:

This correspondence is to provide you with written notification that one or more of your products in the classes listed below is scheduled to be reviewed at the January 26, 2005 meeting of the Pharmacy and Therapeutics Committee. The meeting will begin at 1:00 p.m. and will be held at the Alabama State Capitol Auditorium located in Montgomery, AL. All meetings of this committee are open to the public.

Drug class scheduled for review:

- Macrolides
- Quinolones
- Sulfonamides
- Miscellaneous antibacterials
- Antimycobacterials
- Antiinfluenza agents
- Interferons
- Combination nucleosides and nucleotides
- Urinary antiinfectives

New drugs scheduled for review:

- Estrogel
- Fortamet
- Vytorin

Please refer to the Medicaid web site for timelines related to presentations and submission of volume discounts.

Please contact the Medicaid Pharmacy Program at (334) 242-5050 if you should have questions regarding this notice.

Sincerely,

Louise F. Jones

Louise F. Jones
Pharmacy Director
