New Drug Review: Vumerity® (diroximel)

Alzheimer's Agents

Preferred Generic	Preferred Brand	Non-Preferred Brand or PA Generic
All covered products	ARICEPT*	EXELON* NAMENDA* NAMENDA XR* NAMZARIC RAZADYNE ER*

*Denotes generic available in at least one dosage form or strength.
Drug name denotes all dosage forms and strengths unless noted.
° Denotes agent is preferred with clinical criteria in place.

Antidepressants

Preferred Generic	Preferred Brand	Non-Preferred Brand or PA Generic
All covered products	None	ANAFRANIL* APLENZIN BRISDELLE* CELEXA* CYMBALTA* DESVENLAFAXINE FUMARATE ER DRIZALMA SPRINKLE EFFEXOR XR* EMSAM FETZIMA FORFIZO XL* LEXAPRO* MARPLAN NARDIL* NORPRAMIN* PAMELOR* PAXIL* PAXIL CR* PEXEVA PRISTIQ* PROZAC* REMERON* SARAFEM* SILENOR* SPRAVATO TOFRANIL* TRINTELLIX VIIBRYD WELLBUTRIN SR* WELLBUTRIN XL* ZOLOFT* ZULRESSO

*Denotes generic available in at least one dosage form or strength.

Drug name denotes all dosage forms and strengths unless noted.

cc Denotes agent is preferred with clinical criteria in place.

Cerebral Stimulants/Agents Used for ADHD

Preferred Generic	Preferred Brand	Non-Preferred Brand or PA Generic
All covered products	ADDERALL XR* ADHANSIA XR CONCERTA* FOCALIN XR* RITALIN* VYVANSE	ADDERALL* ADZENYS* amphetamine/dextroamphetamine ER (generic) APTENSIO XR* COTEMPLA XR DAYTRANA DESOXYN* DEXEDRINE* dexmethylphenidate ER (generic) DYANAVEL XR EVEKEO* FOCALIN* INTUNIV* JORNAY PM METHYLIN* methylphenidate ER (generic) MYDAYIS PROCENTRA* QUILLICHEW ER QUILLIVANT XR RELEXXII ER* RITALIN LA* STRATTERA* ZENZEDI*

*Denotes generic available in at least one dosage form or strength.

Drug name denotes all dosage forms and strengths unless noted.

cc Denotes agent is preferred with clinical criteria in place.

Wakefulness Promoting Agents

Preferred Generic	Preferred Brand	Non-Preferred Brand or PA Generic
All covered products	None	NUVIGIL* PROVIGIL* SUNOSI WAKIX XYREM

*Denotes generic available in at least one dosage form or strength.

Drug name denotes all dosage forms and strengths unless noted.

° Denotes agent is preferred with clinical criteria in place.

Anxiolytics, Sedatives, and Hypnotics Barbiturates

Preferred Generic	Preferred Brand	Non-Preferred Brand or PA Generic
All covered products	None	AMYTAL SODIUM SECONAL SODIUM

*Denotes generic available in at least one dosage form or strength.
Drug name denotes all dosage forms and strengths unless noted.
^{cc} Denotes agent is preferred with clinical criteria in place.

**Anxiolytics, Sedatives, and Hypnotics
Benzodiazepines**

Preferred Generic	Preferred Brand	Non-Preferred Brand or PA Generic
All covered products	DIASTAT* DIASTAT ACUDIAL*	ALPRAZOLAM INTENSOL ATIVAN* HALCION* KLONOPIN* RESTORIL* TRANXENE T-TAB* XANAX* XANAX XR*

*Denotes generic available in at least one dosage form or strength.
Drug name denotes all dosage forms and strengths unless noted.
^{cc} Denotes agent is preferred with clinical criteria in place.

Anxiolytics, Sedatives, and Hypnotics Miscellaneous Agents

Preferred Generic	Preferred Brand	Non-Preferred Brand or PA Generic
All covered products	None	AMBIEN* AMBIEN CR* BELSOMRA DAYVIGO EDLUAR HETLIOZ LUNESTA* PRECEDEX* ROZEREM* VISTARIL*

*Denotes generic available in at least one dosage form or strength.

Drug name denotes all dosage forms and strengths unless noted.

° Denotes agent is preferred with clinical criteria in place.

**Genitourinary Smooth Muscle Relaxants
Antimuscarinics**

Preferred Generic	Preferred Brand	Non-Preferred Brand or PA Generic
All covered products	OXYTROL TOVIAZ	DETROL* DETROL LA* DITROPAN XL* GELNIQUE VESICARE*

*Denotes generic available in at least one dosage form or strength.

Drug name denotes all dosage forms and strengths unless noted.

° Denotes agent is preferred with clinical criteria in place.

**Genitourinary Smooth Muscle Relaxants
Beta-3 Adrenergic Agonists**

Preferred Generic	Preferred Brand	Non-Preferred Brand or PA Generic
All covered products	None	MYRBETRIQ

*Denotes generic available in at least one dosage form or strength.

Drug name denotes all dosage forms and strengths unless noted.

∞ Denotes agent is preferred with clinical criteria in place.

DISEASE-MODIFYING ANTIRHEUMATIC AGENTS

Preferred Generic	Preferred Brand	Non-Preferred Brand or PA Generic
All covered products	CIMZIA ^{CC} ENBREL ^{CC} HUMIRA ^{CC}	ACTEMRA ARAVA* AVSOLA INFLECTRA KEVZARA KINERET OLUMIANT ORENCIA OTEZLA REMICADE RENFLEXIS RINVOQ SIMPONI SIMPONI ARIA XELJANZ XELJANZ XR

*Denotes generic available in at least one dosage form or strength.

Drug name denotes all dosage forms and strengths unless noted.

^{CC} Denotes agent is preferred with clinical criteria in place.

New Drug Pharmacotherapy Review: Vumerity®

Preferred Generic	Preferred Brand	Non-Preferred Brand or PA Generic
All covered products	None	VUMERITY

*Denotes generic available in at least one dosage form or strength.

Drug name denotes all dosage forms and strengths unless noted.

∞ Denotes agent is preferred with clinical criteria in place.
