PUBLIC NOTICE

SUBJECT: AMENDMENT TO THE ALABAMA STATE PLAN FOR MEDICAL ASSISTANCE

The Alabama Medicaid Agency is proposing to amend its State Plan for Medical Assistance through a State Plan Amendment. This amendment is to request coverage of Nurse-Family Partnership (NFP) services effective January 1, 2022. NFP is a program that will provide, (to all program eligible recipients), prenatal, postpartum and infant home visiting services until the child reaches age two. The goals of the program include improved health outcomes for mother and child, decreased total Medicaid expenditures among families who receive NFP services, and reduced infant and maternal mortality. The estimated increase in expenditures for this State Plan Amendment is expected to be \$3,200,000.

A copy of the proposed changes will be made available upon request for public review at each county office of the Department of Human Resources and the State Office of the Alabama Medicaid Agency.

Written comments concerning these changes are welcome and should be mailed to Administrative Secretary, Alabama Medicaid Agency, 501 Dexter Avenue, P. O. Box 5624, Montgomery, Alabama 36103-5624. All written comments will be available for review by the public during normal business hours at the above address.
