

Hospital to Home

Care at Home

The Hospital to Home Program helps eligible individuals return home safely from the hospital while reducing long-term care placement and re-hospitalization visits.

Hospital to Home

(H2H)

Hospital to Home assists eligible individuals with Medicaid Waiver services that begin instantly upon hospital discharge.

H2H utilizes an expedited application process to initiate services such as

- Homemaker Services
- Personal Care Services
- Weekly home-delivered meals
- Medical supplies such as incontinence supplies, wipes, and linen savers
- Personal Emergency Response Systems (PERS)

Eligibility Requirements

- Must be hospitalized in an acute care facility
- Must have a Medicaid eligible status
- Must be medically eligible for long-term care
- Must have a safe and suitable home to return to
- May be required to have a willing and able caregiver
