PUBLIC NOTICE

SUBJECT: AMENDMENT TO THE ALABAMA STATE PLAN FOR MEDICAL ASSISTANCE

The Alabama Medicaid Agency is proposing to amend its State Plan for Medical Assistance through a State Plan Amendment. The purpose of this submission is to add coverage of COVID-19 testing, vaccines and administration and related treatments effective January 1, 2022 to the State Plan. COVID-19 testing, vaccines and administration and related treatments have been covered through Alabama Medicaid during the public health emergency. This change places verbiage for the coverage in the State Plan. The estimated annual increase in expenditures for this State Plan Amendment is \$84,293,664.

A copy of the proposed changes will be made available upon request for public review at each county office of the Department of Human Resources and the State Office of the Alabama Medicaid Agency.

Written comments concerning these changes are welcome and should be mailed to Administrative Secretary, Alabama Medicaid Agency, 501 Dexter Avenue, P. O. Box 5624, Montgomery, Alabama 36103-5624. All written comments will be available for review by the public during normal business hours at the above address.
