

Alabama Medicaid Agency

Long Term Care Division

HOME HEALTH PROGRAM

Target Group

The Medicaid Home Health Program helps people with illnesses, injuries, or disabilities to receive the quality of care they need at home. Patients must meet certain medical and program criteria in order to receive home health benefits.

Age Requirement

There is no age requirement for the home health benefit.

EPSDT Benefits

Home care services to Medicaid eligibles under the age of 21 are expanded because of the Early, Periodic, Screening, Diagnostic, Treatment (EPSDT) program. Occupational therapy, physical therapy, durable medical equipment, and other services as medically necessary to maintain Medicaid eligibles in the home have been available to Medicaid eligibles under 21 since April 1, 1990.

Financial Eligibility

Home health benefits are available to all Medicaid patients with full coverage.
